Employee Compensation Information

The school is a public school academy operating under a charter contract issued by an authorizing body. The school is governed by a publicly appointed Board of Directors, who serve without compensation. The Board has entered into a services agreement with Integrity Educational Services ("IES"). IES is an educational service provider. Through this services agreement, IES is responsible to provide for the day-to-day operations and staffing at the school, including the school's leadership team and teachers. Consequently, the school does not have any employees subject to the reporting requirement of MCL 388.1618(2)(d).

However, in the spirit of cooperation with the school's authorizer and to comply with transparency guidance provided by the Michigan Department of Education, IES is providing the following information for the Superintendent and the Principal. The Superintendent and the Principal are solely the employees of IES and not employed by the school.
